

Web Based Learning

If the training you wish to take is on the Web Based Learning platform, you can access Web Based Learning from the Training Center homepage at www.rpstc-reno.com.

- When you are ready to start your web-based training session, go to www.rpstc-reno.com - and click on the Distance Learning link at the top of the page.

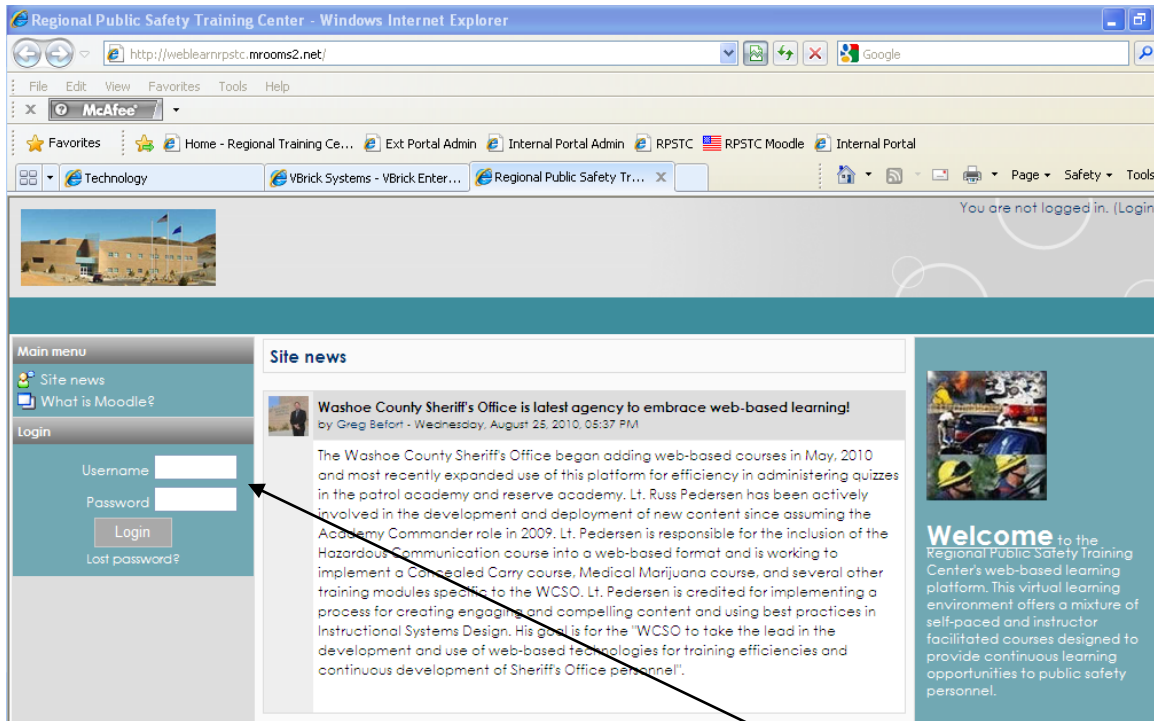

Scroll down to the “RPSTC Web-based Learning” image and click on it. You can click either the image or the link.

RPSTC Web Based Learning

[Click Here to Access Web Based Learning](#)

This will take you to the RPSTC Web-Based Learning website.

Enter your Username and Password HERE

FOR WASHOE COUNTY USERS IN THE “WASHOE” AND “CJ” DOMAINS -Your username and password is the same as your County network login. This means that to access Web-Based Learning, you login exactly as you do to access your County email, work network, etc..Note: These credentials work even if you login from a home computer or anywhere there is Internet access.

FOR ALL OTHER USERS – Your username and password is the same as the RPSTC Student Profile username and password created in order to register and pay for courses and classes held at the Training Center. This learning management system is called “Lumens”. To learn more about creating a student profile in Lumens, click [here](#). Generally, most partnering/affiliate agency personnel have a Lumens Student Profile. If you do not have a Lumens Student Profile (username and password) or do not remember this information, **DO NOT CREATE A NEW STUDENT PROFILE!** Contact your respective training department or RPSTC Staff.

Once you are logged in, you may also want to update your account/profile settings. You can do this by clicking on your name in the upper right corner.

You will see a screen like this: To edit your profile, click the “Edit Profile” tab.

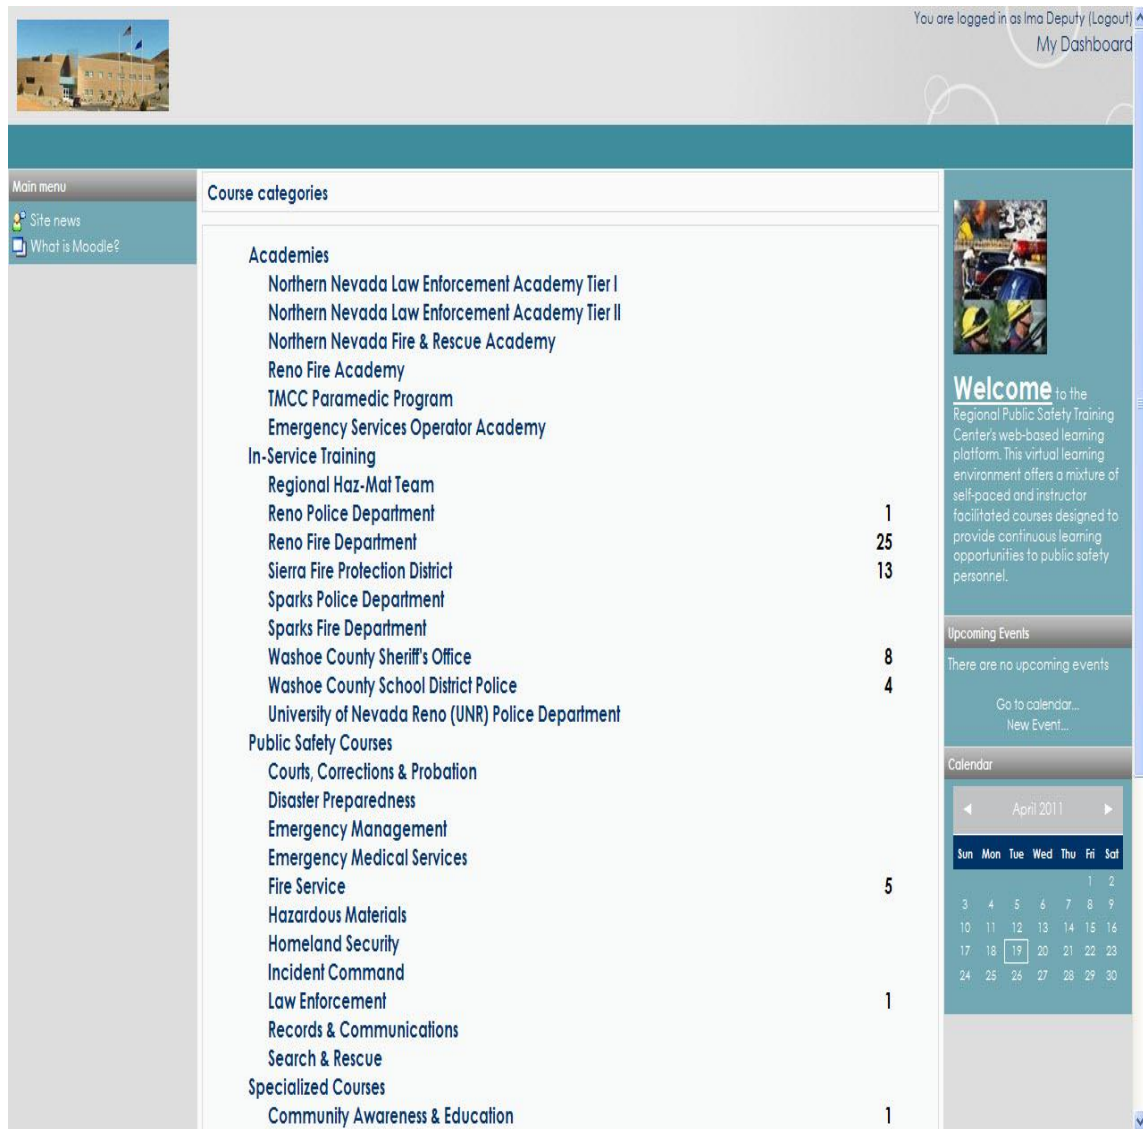

It is imperative that you do not change your username or password. You can update your contact info (agency/work information is highly recommended) or add a picture, etc, but **do not change your user name or password.**

If you do not remember your user name/password or enrollment key information and are employed by a Partnering/Affiliate Agency, you can contact your agency Training Division. If you are not employed either as volunteer or full time paid staff at a Partnering/Affiliate Agency, please contact RPSTC staff.

Enrolling in a Web Based Learning Course

Once you have logged in, you will be taken to the Course categories page. Scroll down until you find the category where your course is likely to be found. Click on the category name.

Courses which have the key icon require an “enrollment key”. When you click on a course that has the enrollment key icon, you will be directed to enter the key.

The screenshot shows a Moodle course page for 'Firefighter I'. At the top right, it indicates the user is logged in as 'Ima Deputy' with a 'Logout' link and a 'My Dashboard' link. A breadcrumb trail shows 'RPSTC Home > Courses > Login to FFI'. The course title 'Firefighter I' is displayed twice. Below the title, the course creators are listed: Alex Kukulus, Vince Thomas, and Julie Thonberry. A central message states: 'This course requires an 'enrollment key' - a one-time password that you should have received from : Greg Befort. Moodlerooms Support.' Below this message is an 'Enrollment key:' label, a text input field containing seven dots, and an 'Enroll me in this course' button. A 'Cancel' button is also present. At the bottom of the page, there are navigation links: 'Getting Started', 'Participating in a course', 'Facilitating a course', and 'Designing a course'. Below these are three help buttons: 'Participant Help', 'Instructor Help', and 'Administrator Help'. The footer contains the copyright notice '© Copyright 2009 Moodlerooms Inc. All Rights Reserved' and the 'Powered by Joule' logo.

Enrollment keys can be obtained through an email confirmation for classes which require registration through the RPSTC learning management system (Lumens) or from your respective training unit or supervisor. Per policy, enrollment keys are not to be shared with unauthorized users.

Once you are enrolled, you may participate in the features of the course. Course material generally appears in a topical outline format, by week, or your instructor may have a unique way of organizing the course. If you have specific questions regarding the course(s) in which you are enrolled, please contact the Instructor directly.

If you need assistance with the functions in a web based learning course you can select the link for "Participating in a course" to get general help topics for using the system.
